From M. Karamatullah Esq., I.C.S., Collector of South Kanara, Ref.No.4638-43-B3 dated 14-7-43:-

---

Sub:- ALIENATION - Land and Revenue - (South Kanara) Udipi Taluk - Puttur village - S.No.227/1 etc. Conversion into an Agricultural Settlement and Construction of buildings - Depressed Classes Missi Further information - furnished.

Ref: B.P.Mis.47 dated 6-1-41.

In B.P.Mis.47 dated 6-1-1941, the Board sanctioned an extension of time for a further period of three years ending with - 17-4-43 for the complete allotment and conversion into an agricultural settlement of the extent of 18.92 acres of land in Puttur Village, Udipi Taluk, alienated in G.O.No752 Revenue, dated 16-4-3 in favour of the "DEPRESSED CLASSES MISSION", Mangalore. I enclose a sketch and a statement showing the improvements effected on the land by the Mission. Enquiry shows that out of the extent alienated, an extent of about 8 acres has yet to be improved upon. The Secretary, Depressed Classes Mission, Mangalore, who was asked to show cause against resuming the land for breach of conditions of the grant in spite of sanctioning extension of time, from time to time, reports that the lands could not be completely converted into an Agricultural settlement for want of funds and owing to the reluctance of the Depressed classes, who are nomadic, to settle down. He, however, assures me that if exemption from assessment for a further period of three years is granted, the necessary improvements will be made and the alienated land completely brought under cultivation. The difficulty pointed out by the Secretary, Depressed Classes Mission, is real, and therefore, as a last chance, I recommend the grant to the Depressed Classes Mission, Mangalore, of a further extension of time for a period of three years for the complete conversion of the land into an Agricultural Settlement and the exemption from assessment for a like period in respect of the lands alienated to the Mission.

Reference:-

Submitted to the Government.

2. The Board recommends that the Government may be pleased to sanction the exemption from assessment for a further period of three years from 16-4-43 of the 18-92 acres of land in Puttur Village, Udipi Taluk, South Kanara District alienated to the Depressed Classes Mission, Mangalore in G.O.752 Revenue dated 16th April 1930.

3. The Board is competent to grant extension of time for three years more for the complete utilisation of the lands which the Collector has recommended. The Board will accord the necessary permission on receipt of the orders of the Government

To ws.

Please see the notes from page 2 ante. P.W.D. have agreed to the proposed extensio by 3 more years subject to the stipulation at B on page 2 ante. But the Finance Secretary consider ~~that exemption~~ the extension of exemption may be for 1 year only. For orders whether the ~~proposal~~ Fin Secy's suggestion may else, the orders of A1 will have to be obtained.

(We will also be going against Board's recommendation, though the ~~[illegible]~~ matter is not a very important one).
28/9/43

I am inclined to agree with Finance as this institution is been going since 1919 and has not yet completed the scheme; the grant was conceded once & restored in 1930 on condition that the scheme should be fitted in 3 years.
